

# PPE Preparation. The difference is you!

Make sure you know:

- What you need to do! Do you have a timetable? Do you understand what exams you will be sitting?
- When you need to do it! Are you using your timetable to prioritise your revision ?
- How to get support and help when you need it! Can you access revision materials? Do you know how to revise?

# The Importance of **preparing** for your PPEs

- You may be wondering why you are having to sit an exam so far before your actual exams!

- You really do NOT want the first time you do this...

...to be your only chance to know how it feels and get it right!

# The Importance of **preparing** for your PPEs

## For you!

- Helps you to get used to exam pressure
- Give you the experience of exam conditions particularly timings!
- Exercises your brain and builds your stamina
- Identifies topics you need to revise
- TESTS your knowledge and revision strategies
- Provides grade information for college applications (due by the end of December)

## For us!

- Allows us to see how you cope with exam pressure
- Provides us with important information regarding your knowledge retention
- Enables us to analyse strengths and weaknesses of exam techniques and skills
- Ensures we plan lessons to address your needs
